Thought for the week 28th of April 2024

The core task of the Church

“Paul proclaimed the kingdom of God and taught about the Lord Jesus Christ—with all boldness and without hindrance!” (Acts 28:31)

The Church’s core task involves a balance of evangelism, discipleship, worship, community, and fulfilling the Great Commission. While different churches may emphasize certain aspects more than others, the overarching goal remains to glorify God and turn the world upside-right for Christ.

The result of the local church operating as Christ intended is that the church will grow — both spiritually and numerically. Growing churches do not depend upon some man-made plan or program. The Bible is clear that God wants each of God’s people to share their faith intentionally, actively, and faithfully with others. We do this as a church, so that those who come to know Jesus can grow in Christ and participate in the mission of God with us.

God bless,
Matthew
