## Thought for the week 21<sup>st</sup> of May 2023

## Seeds

Six weeks ago, we presented Easter Sights and Sounds. This week I noticed that many new shoots were appearing in the area where we had the donkey and the marketplace. The seeds had fallen from the tables and from the donkey's feed and have taken root.

This got me to thinking about the other seeds that were planted in the hearts and minds of each person who participated in this wonderful presentation. Seeds that were planted as we heard the Easter message presented so beautifully.

Please pray again for those seeds to keep growing and that they will bear fruit in God's time.

**The seed is the word of God.** Luke 8:11b NIV

God Bless, Matthew
